

By Car: driving instructions

Coming from the motorway A 18, Catania-Messina, exit at TAORMINA. After having paid the toll follow the sign “**Taormina**” **uphill** for about 2 km/1.25 miles. Follow the direction “Taormina Centro”. At the multi-storey parking “Lumbi” (on your right side), **enter into the roundabout and exit left** (do not enter into the tunnel!) and drive further uphill 0.6 km/0.33 miles direction “Centro”. Once in front of the city-portal “Porta Messina” (beginning of the pedestrian main street “Corso Umberto”), **turn right uphill** direction Castelmola and follow the “Via Circonvallazione”, the circular road uphill around the historic center of Taormina. After about 0.8 km/0.5 mile you will see on your left side the castellated medieval Palazzo Badia Vecchia, directly behind it **take the road down to your left**. After about another 0.6 km/0.33 mile driving downhill you will reach a little square, Piazza Sant’Antonio. In front of you, you will see the small church “Chiesa Sant’Antonio Abate”, before which please **turn left and then immediately downhill to the right** (see white hotel signs at the post office building), follow the narrow one-way road downhill for about 0.4km/0.25 miles till the road opens on to a kind of place lined with trees. **Turn downhill to the right** entering the one-way “Via Roma”
